SCIENTIFIC RESEARCH COMMITTEE POLICY

Introduction

The Research Committee of Bombay Hospital College of Nursing is comprised of 5 faculties from BHCONI. The aim of the research committee is to encourage and promote quality researches among faculties and students of the institution.

The research committee is designed to assist the students to acquire an understanding of the research methodology and statistical methods as a basis for identifying research problem, planning and implementing a research plan. The objectives will further enable us to evaluate research studies and utilize research findings to improve quality of nursing practice, education & management.

The main objectives are as follows:

- To consider and make recommendations research related protocols.
- To review and oversee the implementation of College's policy on research ethics.
- To monitor the relevance and efficacy of established policy – addressing shortcomings and anomalies so as to facilitate high quality research activities within the College structures.
- To oversee quality assurance and improvement measures in respect of research activity, including the efficacy of research quality measures.
- Enable students to understand basic terminologies in nursing research.
- To understand the importance of review literature and utilizing various sources of literature review.
- To learn and utilize various research methodologies.
- Enable students and faculties for conducting research studies.
- Provide encouragement to critically evaluate nursing research studies.
- Develop scientific paper for publication and publish it in UGC approved journal.
- Encourage faculties for attending conferences and presenting posters and papers.

1. **Composition of the Committee:** Research committee shall consist of up to eight members, including 1 chairperson, 1 research Coordinator and 6 faculties from each department.

2. **Appointment of the Committee:** For appointment of members of research Committee, 1 member from each department is selected. Research Chairperson is the principal of the College and 1 research Coordinator is appointed to coordinate the research activities.
